Abstract:

The purpose of this project is to increase the number of graduates from the Indiana University School of Nursing's (IUSON) PhD, DNP, and MSN Nursing Education programs qualified to teach in accredited schools of nursing upon graduation. Specific program goals are:

1. To provide IUSON students enrolled in, or making application to, PhD, DNP or MSN Education programs information and advisement regarding the NFLP program eligibility criteria and post award requirements.
2. To provide funding for tuition, fees, books, laboratory expenses and other reasonable expenses through the NFLP loan fund to 27 students (17 full-time and 10 part-time) for the 2015-2016 academic year.
3. To track student enrollment, use of NFLP funds, and post enrollment adherence to NFLP requirements related to employment as qualified faculty in accredited schools of nursing.
