

## **Development of an Accelerated MSN Program for Nurse Educators**

**Principal Investigator:** Judith A. Halstead DNS, RN

**Dates of Support:** 2006-2007

**Funding Agency:** Indianapolis Private Industry Council

### **Abstract**

Indiana University School of Nursing will develop curriculum for an accelerated Master's of Science in Nursing program. The purpose of such a program shall be to provide an option to students to receive a Masters in Nursing in 15 months. IUSN shall work with existing hospital partners to identify and enroll 20 practicing nurses.

### **Performance Site(s)**

Indiana University School of Nursing
