

INDIANA UNIVERSITY SCHOOL OF NURSING BACCALAUREATE PROGRAM  
BLOCKING SHEET FOR FOURTH SEMESTER – Traditional Track Option **Spring 2010**

**DIRECTIONS:** Choose a block from those listed below. You must register for all the courses in that block. **Register for B249 first.** If the computer indicates that the course with that class number is closed, it means that you must select a different block, one in which the B249 class is not closed. Register for all classes in the new block. Some class numbers are the same in more than one block. **If you do not register for all classes in the same block, your registration may be administratively canceled and you will have to reregister after all regularly progressing students have registered.** Because of changes in student enrollment, it may be necessary to close a section of a course and move students into another section. If this becomes necessary and involves you, you will be notified by the Office of Academic Affairs. **IF YOUR REGISTRATION TIME IS DURING CLASS OR CLINICAL TIME, YOU MAY NOT LEAVE TO REGISTER.**

**Important Information:** The hospital where clinical sites are may be subject to change. B233 includes service learning experiences that are done outside of class time. You will be going to the hospital to research the day before B249 clinicals for the weeks you are in the hospital (6 times).

For questions about B248/B249 didactic and clinical contact Debbie DeMeester 274-4685 or [ddemeest@iupui.edu](mailto:ddemeest@iupui.edu) No block changes can be made after 12/15/09.
