

**INDIANA UNIVERSITY SCHOOL OF NURSING BACCALAUREATE PROGRAM
BLOCKING SHEET FOR SIXTH SEMESTER Fall 2009 - **TRADITIONAL TRACK****

This blocking Sheet is for the following 6th semester courses: H363, H364, and H365. All 364 clinical sections meet on Tuesday and Wednesday. Prior to the beginning of the semester you must have your CPR certification, OSHA training done, criminal background check completed and immunization records up to date. You must register for all courses in the same block. Only 5 students can register for any block. Choose the block you want. Register for the section of H364 in that block. If the section of H364 is closed indicating that 5 students have already registered for that section, you must register for a different block. Choose another block and check if the section of H364 is open in that block. Do not register for a unit where you work as a student nurse. You will research your patient the afternoon/evening before in pediatric clinicals and in adult health clinicals that use the traditional model.

Students may not change blocks for any reason after December 15, 2009.

You will receive a separate Blocking Sheet for Med/Surg II.

IF YOUR REGISTRATION APPOINTMENT IS DURING A SCHEDULED CLASS OR CLINICAL TIME, YOU MAY NOT LEAVE TO REGISTER. YOU WILL NEED TO REGISTER AFTER CLASS OR CLINICAL IS COMPLETED.

******NOTE: FAILURE TO ATTEND THE H364 CLINICAL ORIENTATION MAY MAKE IT NECESSARY FOR YOU TO WITHDRAW FROM BOTH H363 and H364.**

For questions regarding OB and Peds, contact Rachel Waltz at 274-4547 or rewaltz@iupui.edu
